

# High Risk Manufacturers

These unprecedented times have created unique security concerns, as businesses are forced to close or leave their properties unattended. Do you have manufacturing clients that provide products to address these situations? Fire arms accessories? Surveillance products? Enforcement gear? Many markets will not provide coverage for hazardous exposures associated with military / police / security product manufacturers. Russell Bond is here to help!

**In addition to the products mentioned above, coverage is also available for:**

- Electronic communications and telemetry equipment
- Vehicle conversion and armoring products including accessories
- Body armor and tactical gear
- Nuclear / biological / chemical detection and protective products
- Rescue products including spreaders, cutters, rams, backboards and immobilizers
- Explosive disposal products including robotics
- Prison supplies
- Home incarceration
- Ammunition
- Firearms on a limited exception basis

**Available coverages include:**

- Commercial General Liability
- Products / Completed Operations Liability Specialized Coverage Extensions
- Products Design
- International Coverage (limited)
